

MACS Strategic Plan

MELBOURNE
ARCHDIOCESE
CATHOLIC SCHOOLS

Context

MACS has a two-horizon approach to its strategic planning process:

- Strategic Plan 2021
- Strategic Plan 2022-2026

The Strategic Plan 2021 will ensure MACS:

- Meets its governance requirements and beds down the transition
- Gives staff a line-of-sight for their work in the context of governance arrangements for schools
- Builds on the opportunities and strengthens the work borne out of the 2015-2019 CEM Plan.

Work on the Strategic Plan 2022-2026 will be commence in the second-half of 2021 to develop a bold ambitious plan for the organisation and its schools

Vision

To provide children and young people in the Archdiocese of Melbourne with a Catholic education that fosters a formation of the whole person that is deeply and enduringly humanising.

Mission

With parents and parishes, we fulfil our mission by providing an environment in which students are enabled to:

- encounter God in Christ and deepen their relationship with Him
- pursue wisdom and truth encouraged by a supportive academic culture
- grow in the practice of virtue, responsible freedom and serving the common good.

Values

Integrity

We act with integrity in every aspect of our work and interactions in our constant pursuit of wisdom, truth and serving the Catholic mission.

Respect

We respect the dignity and intrinsic value of each person and are compassionate in all our relationships with a particular care for the disadvantaged and marginalised

Excellence

We strive to be a leading education provider in Australia, promoting excellence in teaching and learning outcomes across all our school communities.

Strategic Themes

Strong Catholic Mission

Education is integral to the mission of the Church, and MACS endeavours to transform and lead an increasingly diverse community through love and truth.

Full-flourishing of Each Student

High quality teaching in Catholic schools facilitates excellent learning outcomes and experiences for students.

Leadership through Stewardship and Governance

Care for students, schools and staff by building capability while maintaining transparency and accountability.
